📍 Infants: 01933 314161  
Highfield Road, Rushden, NN10 9QD

📍 Juniors: 01933 353762  
Alfred Street, Rushden, NN10 9YS

Made with PosterMyWall.com

Alfred Lord Tennyson School would like to invite all prospective parents and children to visit our 'new primary school' that prides itself on providing a caring, inclusive and nurturing environment, where children become 'Ambitious Learners who Thrive and Succeed' (A.L.T.S).

We are currently based across 2 sites with our Infants located at Highfield Road, and our Juniors at Alfred Street. In September 2025, we will all be based at the Alfred Street site, once the school has undergone extensive renovation, and a brand-new Early Years and Year 1 provision has been created.

Our 'new primary school' will have an undercover outdoor area with access to private green space and a forest area for the Reception Children. The large classroom will encourage curious and creative minds through our 'curiosity' approach.

We recommend that you and your child attend one of our 'open' sessions at our Infant site to see the provision in action! We will then also be holding a tour at the Alfred Street site for parents/carers so you can see the building, and we can talk you through our plans.

If you would like to come and see our 'new school' please contact the school office at: [schooloffice@alts.northants.sch.uk](mailto:schooloffice@alts.northants.sch.uk)
